From the Deed Restrictions committee

Please remember that there is a limit of two (2) yard sales per year. Anything more is considered a business by the state. As per our Governing documents, no businesses are allowed in our neighborhood.

The City of Houston has put in place mandatory water conservation. You can only water outside two days a week from 7pm to 7 am. Odd number home days are Wednesday and Saturday. Even number home days are Thursday and Sunday.

The paving and drainage projects have started on Parliament. Let the fun begin.

Please ensure that you keep your pets in your fenced yard. Animals running loose are a danger to your pets and your neighbors. Remember you are responsible for your pets.

Farm animals are against city ordinance and AHCC deed restrictions. There are two homes that have chickens in our neighborhood. Both have been reported to the city and have received letters from AHCC.
